8 attendance exemptions were taken for 2025. Full attendance record below. 4 members still owe dues and the board has been in communication with those members. Some confusion has occurred with checks that were mailed but not received and replacement checks are on the way. The board has only been unable to make contact with one member regarding 2025 attendance and dues, but we are still pursuing that individual.

Bob Wartenbee, Rich Ferguson and Tony Wolf have not renewed retired membership status.
